

## EMS, Inc. Announces Upcoming Design & Manufacturing Events to Attend

### Tampa, Florida – February 22, 2011 – EMS, Inc.

EMS Inc., the premier provider of rapid product development equipment and services including Z Corp 3D Printers and 3D Scanners, announced that they will be exhibiting at design and manufacturing events during March as well as hosting their own 'Open House' events at their Tampa and Atlanta offices.

The two shows that they'll be showcasing at are Design & Manufacture South (Booth #948) in Orlando, FL and Design 2 Part (Booth #424) in Atlanta, GA. Both shows are occurring simultaneously on March 16<sup>th</sup> – 17<sup>th</sup>, 2011. EMS will be displaying their capabilities and innovative technology that assists designers and manufacturers bring products to market faster. Stop by EMS's booth to learn how 3D scanners, 3D printers, and 3D CAD software can help improve your product development cycle.

In addition, EMS will be hosting an 'Open House' at their new, much larger Tampa, FL headquarters as well as their Atlanta, GA office on March 30<sup>th</sup> and April 19<sup>th</sup> respectively. These events will be similar to their past 3D Technology Days, where attendees can come anytime and see what they are interested in. There were be no boring slideshow presentations or aggressive sales pitches, just engineers demonstrating the latest rapid prototyping, reverse engineering and 3D CAD technology. Products to be demonstrated include Z Corp 3D printers and hand-held 3D Scanners as well as 3D Scanners from Konica-Minolta, Surphaser and software from SpaceClaim and RapidForm.
